- Ohio has become the center of this region with at least a couple of guys in bordering states but within reasonable distance of the state line. I'll leave it up to you all in here to figure out who's closest to who specifically.

- 
- 
- 
- 

- If i need to adjust it somehow just let me know

cat\_on\_steroids

Thanks! Also, hi guys. I'm in southwest PA.

- If anyone wants to do a training sometime, I'd love to. I like survivalism and hand-to-hand, but definitely need to work on my shooting.

- I need to run out now and do some errands before I go to work, but I'll check back, either when I get home at like 2:00 a.m., or first thing tomorrow morning if I just sack out.

What do you wanna work on? Marksmanship? Sniping? I'm not a very good sniper.

**\*\*MEET UP**

WHEN: OCT 28, 10:00am

WHERE: Clear Creek Metro Park

We'll be doing a 3ish mile long hike. I was thinking about incorporating training but I think it's best for us all to get to know each other first. Afterwards we can get lunch together if anyone wants to. See you then!

- 
- 
- 
- 
- As we get closer to the meet up date, I'll release where we'll specifically meet

Clear Creek Metro Park is in Ohio, near Logan btw

shadow\_\_

That's like a 3 hour drive from me

- 
- 
- shadow\_\_
- 
- 
- 
- According to Google, 3 hours and 10 minutes
- 
- 
- d00mr
- 
- 
- 
- Most people seem to live Central or south west/east, so I picked a location where most people could go. Future meet ups will "share the commute", so the next location might

be like, somewhere between Columbus and Akron or something.

- 
- 

• shadow\_\_

- 
- 
- 

• If I have money for gas, I can do Akron

- 
- 
- 
- 

• Am I the only one that lives in Northeast Ohio?

• **Fri, Oct 12 2018**

- 

• d00mr

- 
- 
- 

• It looks like it

- 
- 
- 
- 

• Is it gas money that's keeping you from driving down?

Maybe everyone could pitch in \$5 or something. I wouldn't mind

shadow\_\_

Not only that.

- 
- 
- 
- 

• My car's got a few issues.

I have to replace the lower control arms because this is pothole country, and potholes have completely messed up my suspension. I also have to replace the entire exhaust system because it's got a leak, my car won't start half the time, I'm driving a piece of crap basically

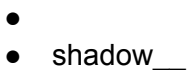

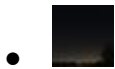

The car I'm using now is my grandmothers.

And mine hasn't been inspected since 2016...

I wasted \$3000 on a Pontiac that doesn't work.

d00mr

Oof. Well hopefully we get some more members in the NE area

- But I should be taking care of this within the next few months

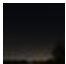

- I just don't think my car is in a position to go such long distances though.

However, since I don't live in PA anymore, gas is like 50 cents less a gallon

d00mr

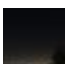

Yeah PA is a lot more expensive

- 
- 
- shadow\_\_
- 
- 
- 
- Gas is like \$3 a gallon here
- 
- 
- 
- 
- But if I cross the state line it's down to between \$2.30 and \$2.50

In Pittsburgh it's even more, like \$3.30

d00mr

Yeah fuck that lol

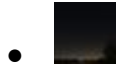

- 
- 
- shadow\_\_
- 
- 
- 
- Everything in the city costs a fortune.
- 
- 
- 
- 
- I couldn't even afford the ghetto, that's insane

Try paying \$750 a month for rent and another \$1600 worth of bills when you only make \$1400 a month.

- 
- 
- 
- 
- I can make the 28th if needed but would not be there by 10, not sure how particular y'all are about the timing.

d00mr

I figured that most people have a Sunday off

- 
- 
-
