-
- The car is on fire, and there's no driver at the wheel
- And the sewers are all muddied with a thousand lonely suicides
- And a dark wind blows
- The government is corrupt
- And we're on so many drugs
- With the radio on and the curtains drawn
- We're trapped in the belly of this horrible machine
- And the machine is bleeding to death
- The sun has fallen down
- And the billboards are all leering
- And the flags are all dead at the top of their poles
- It went like this:
- The buildings toppled in on themselves
- Mothers clutching babies
- Picked through the rubble
- And pulled out their hair
- The skyline was beautiful on fire
- All twisted metal stretching upwards
- Everything washed in a thin orange haze
- I said, "Kiss me, you're beautiful -
- These are truly the last days"
- You grabbed my hand
- And we fell into it
- Like a daydream
- Or a fever
- We woke up one morning and fell a little further down
- For sure it's the valley of death
- I open up my wallet
- And it's full of blood
