1138. Also Norman that flag you posted looked awesome.

1139.

1140. Norman Spear

1141. Thanks glad you like it.

1142.

1143. juppi

1144. any news on our guys at PNW?

1145.

1146. Norman Spear

1147. What do mean?

1148.

1149. juppi

1150. Ah sorry. I was thinking about it the other day and I was wondering if anyone is there atm

1151.

1152. From this group

1153. Ofcourse you don't have to tell me. It just seems like a worthwhile project

1154. Norman Spear

1155. Are you referring to Northwest Front?

1156.

1157. juppi

1158. No no. Just talking about people trying to move there or planning to

1159.

1160. Norman Spear

1161. Oh ok

1162.

1163. charnaz1488

1164. I've been thinking about making that move more and more. It sounds much better than the northeast. I wish the south wasn't full of niggers

1165.

1166. Norman Spear

1167. It's a great region of the country. I was impressed when I visited.

1168.

1169. I was only in Washington though

1170. charnaz1488

1171. I did when I was a kid I dont remember it well but I kind of remember loving it. I love the south though losuaina Georgia South Carolina

1172.

1173. d00mr

1174. I'm starting my own movement called Upper Peninsula Front, come to Michigan buds. Largest freshwater reserves in the world.

1175.

1176. Norman Spear

1177. The longterm goal is to have regional bugout locations that can support multiple members and their families

1178.

1179. charnaz1488

1180. Ive never been to Michigan I've heard the rural areas are nice

1181.

1182. Norman Spear

1183. If we get serious enough about it we can potentially pool resources together to establish locations

1184.

1185. d00mr

1186. I'm down

1187.

1188. Also Western Michigan, upper and the UP is practically the ethno state.

1189. Norman Spear

1190. It would be inspired by the Suidlanders plan but on a regional scale

1191.

1192. d00mr

1193. If you're in my area I'll show you around

1194.

1195. Norman Spear

1196. I'd like to check it out some day. Never been up there.

1197.

1198. I'm still looking to finalize a deal on land in Washington state. Hoping to get it finally done in January.

1199. leafensraum

1200. Something to consider: The CIA has a network of safe houses.

1201.

1202. That's pretty much how they're able to operate with impunity around the world

1203. Norman Spear

1204. Yeah safehouses are always good.

1205.

1206. leafensraum

1207. Coming up with a network of our own, of places people could crash or head to, no questions asked would be an invaluable resource.

1208.

1209. Norman Spear

1210. Yes
