10. The NPC look is underrated

11. 
12. Pymander
13. i hate calling it a fashy cut

14. 
15. it's a damn haircut
16. Arcturus
17. depends on the flavor of NPC

18. 
19. don't have the long haired artsy look
20. void33
21. "fashy" is a cringy word tbh

22. 
23. Pymander
24. it is

25. 
26. reminds me of young IE kids being like "how do i get a fashy haircut???"
27. void33

31. Nobody calls it "Fashy" anymore

32.

33. This isn't /pol/

34. wolfrik

35. NPC is a cringe meme

36.

37. void33

38. It's true, but also cringe

39.

40. It's just the lemming principle

41. Arcturus

42. Nah, it's a good meme

43.

44. wolfrik

45. Yeah the lemming principle for r/thedonald

46.

47. Arcturus

48. it's not particularly funny, it's just true and gets under their skin

49.

50. so it's useful

129. charnaz1488

130. Yeah most of the edge lords are young and angry but I get why they are pissed the world is stupid as fuck rn

131.

132. Arcturus

133. Memes are useful but yes people do overstate that

134.

135. it's like people who keep harping on propaganda propaganda propaganda

136. useful, sure, up to a point

137. charnaz1488

138. They're good propaganda to push normies but besides that they're not much use

139.

140. Arcturus

141. they're an effective way to get across complex ideas to young people

179. charnaz1488
180. Being an edgelord isnt a bad thing imo. I think shitposting and joking around are necessary for sure

- 181.
182. Arcturus
183. I think you draw a little too many conclusions on someone just because they make jokes online

- 184.
185. Pymander
186. yeah no shit lol

- 187.
188. Arcturus
189. shitposting is often a good thing

191. how many friendships have been formed just from joking around about stupid shit?
192. it's a bonding thing
193. charnaz1488
194. Just as long as you dont constantly shitpost it alright

- 195.
196. Arcturus

Middle of 2.39 Leaks

257.

Arcturus

258.

Alright, I was just about to ask the article

259.

260. Okay, for me that's page 90. Would've figured it would be further along

261. Think my version is the one in the MEGA, if anyone else is using that.

SolarGeneral is the one who put it in PDF format

262. has a header for them every article

263. From now on maybe it'd be best to just go by article name, since versions are different

278. Most of the arguments are circular imo.

279.

280. Arcturus

281. Largely

282.

283. That's why for the most part, they've been less

284. less frequent and shorter in length

285. the thinking behind them comes from fundamentally different places, so I'm unsure if either side can be convinced by them

286. doomsayeth

287. The way I see it, there are really only 2 places It's coming from, people committed to IRL action, and people committed to edgy shitposting. Ideological differences are not that important at this phase imo.

288.

674. Pymander

675. I just cant comprehend how they had agriculture for so fucking long, growing crops, raising animals, and then when the potato and other plants in the nightshade family were discovered in the Americas, like tomatoes, then made their way to Europe. And they suddenly became so dependent on damn potatoes that some fungus that killed crops made them have a mass famine? Like they forgot how to grow any other food in that short of a time? I can't comprehend it

676.

677. it's hard to comprehend italian food pre-america discovery too, no tomatoes? What the fuck did they eat lmao

678. doomsayeth

679. Potatoes caused a population explosion.

680.

681. Pymander

682. WHAT IS TATORS PRECIOUS

683.

684. void33

685. Grimoire: They ate wheat like literally everyone who was poor back then

686.

687. juppi

688. Try eating wood for once

689.

690. Pymander

691. yeah i dont understand hwo they couldnt just start up wheat again

692.

693. Arcturus

694. irish are literally like africans rn

695.

696. Pymander

697. its not like there wasn't any seed available

698.

699. void33

700.  Arcturus: Ok unironically, if I can stop joking for a second Ireland is actually a nice place to visit

701.

702. Pymander

703. Got any cool pics?

704.

705. Never been to the british isles, or whatever they wanna call themselves

706. void33

707. Probably on my mums camera

708.

709. Pymander

710. I like any place with mountains and forests

711.

712. well at least the geography :P

713. void33

714. Rural ireland is actually really nice and ideal

715.

716. It's super conservative but also has kept pagan tradition and native culture

717. The cities are super degenerate though

718. To be 100% unironic Ireland is nice today than england is
719. But only because its poor as fuck in allot of places and the corruption gets in
slower
720. Where England was rich but became niggerized because of that
721. Pymander
722. can't be much worse than the brits' cities full of arabs and degeneracy

723.
724. void33
725. Nicer*

726.
727. Pymander
728. fuck anywhere that has bins to turn in pocket knives

729.
730. void33
731. England is literally one of the worst countries to live in the modern era

732.
733. I would rather live in North Korea
734. juppi
735. Can't even imagine ever living in current UK

736.
737. void33
738. Pre Cromwell England would be cool

739.
740. Literally before they let the Jew's back in
741. juppi
742. Hell pre roman england would be cool too

743.
744. Now its just a island full of niggers and degenerates
745. void33
746. Yeah

747.

748. Pymander
749. haha, if north korea was secretly super based this whole time

750.
751. void33
752. I wanna see pagang england

753.
754.  Grimoire: North Korea has sent funding and given training to natsocs
before
755. Pymander
756. I heard AWD has contact with their government

757.
758. void33
759. North Korea is in contact with allot of anti American groups

760.
761. Pymander
762. all i picture is a bunch of nasty thots doing really shitty quality drugs when i try
to imagine society in england

763.
764. void33
765. Its really really fucking bad

766.
767. Literally durka durka muslims wandering the streets everywhere
768. And london thots instagraming with shitty starbucks drinks
769. And homeless pissing on street corners
770. Worst place in the world
771. Atleast in Africa you could become like a minor warlord or some fun shit
772. Pymander
773. yeah lol

774.
775. fuck, it's great to own lots of guns
776. void33
777. England literally restricts cooking knives

778.

779.

And fucking sporks

780.

juppi

781.

[04:04](#)

Hey no talk about guns or I will get sad

782.
